Venerable Mary Ward pray for us and give us your spirit

Dear Contact Persons,
Sr. Anupa IBVM sends the following message:

Dear Sisters,

“Be merry and doubt not our Master” M.W.

“I am with you always” Mt. 28:20

My heart cannot stop thanking God for His great and wonderful work in me and walking with me. My heart is filled with gratitude for God, Mary Ward and each one of you my dear sisters for carrying me in your sincere prayers during my treatment. I was aware of the power of your prayers and love that gave me strength. Thank you for your love, concern, prayerful support, words of encouragement and hope, which I received through greetings ... get well soon, phone calls, mails and messages. I was confident that ‘You are all with me’ giving me great strength and courage to face the situation and also helped me to remain positive and strong and brought smile on my face.

The moment I was told that it is cancer I felt I am nothing, now everything is in the hand of Almighty God. I felt that I was standing against the wall nothing doing but to move forward with hope. But I had nothing than to ask for prayers. I requested Sr. Anita Braganza to ask all of you to pray for me and I kept my faith and trust in Him at every moment.

When I reflected back: the day diagnosed was my birth day (30th Sept). I am very sure that on that day God revealed the sickness and gave me the grace of acceptance too. It was the grace that I was able to accept it as a gift from Him.

Yes, my dear sisters your prayers did not go in vain. He has heard the prayers of each one of you and gave me new life on 28th Oct 2016. The evening when I to knew that the report showed complete clearance I was thrilled with joy and wonder of His love and the mighty hand over me. The Loreto House community members rejoiced with me singing MW maxims praising God in thanksgiving.

The next day thanksgiving Mass was offered. I am sure each community had the same feeling.

THANK YOU to each one for sharing my pain and joyous moment.

Please do continue to pray for me.

For me this is nothing but a miracle in my life through the intercession of Mary Ward.

Let God be praised in everything at all time.

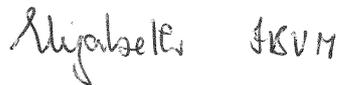

With love

Anupa
