Pope Francis' Prayer Intentions

March

For families in crisis

Let us pray that broken families might discover the cure for their wounds through forgiveness, rediscovering each other's gifts, even in their differences.

April

For the use of the new technologies

Let us pray that the use of the new technologies will not replace human relationships, will respect the dignity of the person, and will help us face the crises of our time.

HOUSE OF PRAYER

March – April 2025

“It is time to act, and in Lent, to act also means to pause. To pause in prayer, in order to receive the word of God, to pause like the Samaritan in the presence of a wounded brother or sister. Love of God and love of neighbour are one love...

For this reason, prayer, almsgiving and fasting are not three unrelated acts, but a single movement of openness and self-emptying, in which we cast out the idols that weigh us down, the attachments that imprison us.”

We pray with the world

1 March: Zero Discrimination Day

We pray that we may be inspired to strive for a world where each person is welcomed, recognised, empowered, and treated with the utmost dignity and respect as they are.

8 March: International Women's Day

We pray for inclusivity, that women from all backgrounds and walks of life may be embraced and valued for who they are.

21 March: International Day for the Elimination of Racial Discrimination

Differences among cultures and races are multi-coloured manifestations of Your Light
May our hearts and minds be open to celebrate similarities and differences among our sisters and brothers.
May all peoples live in Peace.

24 March: International Day for the Right to the Truth concerning Gross Human Rights Violations and for the Dignity of Victims

On this important day, we renew our commitment to lifting the veil on these gross violations, and helping societies heal divisions, reconcile in peace, and gather as one to support and protect the health, safety, dignity and opportunity of every person.

22 April: World Earth Day

We give thanks for this wonderful fragile earth that we share with the whole community of life. Transform our hearts and minds that we may learn to care and share, to walk lightly on the earth with gentleness and love, respecting all forms of life.

In this time of the Paschal Mystery celebration,
we pray especially for all the people
living this mystery in their own lives, suffering loneliness,
illness, abandonment and despair,
that they may experience the consolation and liberation
of the Risen One.
