

ROLE OF THE GC '22 DELEGATE

Constitutions Volume II Chapter 6: 6.9 - 6.32

Before GC 2022

- To prepare her heart and mind.
- Participate fully in the preparation process that is offered. The person is elected in the Province/Region and holds the fruits of the movement of the Spirit within that part of the Institute.
- The delegate is NOT a representative of the Province/Region but assumes this role on behalf of the worldwide Institute perspective and to think and act for the good of the whole.
- The broader Institute perspective is an attitude of mind and heart that can engage with difference.

During GC 2022

- To be open to the responses of the rest of the congregation and to be committed to putting the good of the IBVM before personal interests or specific interests of her own Province/Region.
- To speak the truth as she sees it and to respect the truth of others, participating fully in all aspects of the process.
- To share in the organisation and running of the GC by volunteering for necessary services.

After GC 2022

- Together with other Province delegates, create ways to carry the Institute perspective and bring the experience of GC 2022 to the Province/Region
